Prohibition Leaders Make Nominations In Rowan.

[Special to The Times-Dispatch.]

Salisbury, N. C., September 27.—No move on the political checkerboard in recent years has caused as much interest as did the announcement of an independent county ticket as named in Salisbury Saturday by the prohibition leaders. At the head of the ticket is placed A. W. Winccoff, a well known merchant, for State Senate, in opposition to Colonel A. H. Royden, straight Democrat. Professor F. B. Brown and W. T. Gheen, two well known citizens, were named for the lower House, in opposition to W. D. Pethel and R. D. Coleman, who were named in the Democratic primary. R. L. Doughton, the Democratic nominee for Congress in the Eighth District, was indursed by the independents, as were also J. H. McKinzie, for sheriff: B. B. Miller, for county judge: J. F. McCubbins, for clerk of the Superior Court, and E. H. Miller, for register of deeds. This entire ticket was sent to the county Republican Executive Committee for its approval or rejection. There are now four tickets in the field in Rowan—the Democratic, the Republican Socialist and Independent. The naming of the last ticket places politics in right much of a muddle, and there is much conjecture as to the outcome.

CUTICURA CURED

Father, Mother and Child had It for 8 Months. Heads Mass of Sores. Could Not Sleep, Itching Terrible. Cured in 2 Months.

"The Cuticura treatment has absolutely cured me and family of eczems which I, my wife and two-year-old child had for eight months. It started with small pimples on the head of my child which gradually broke out in sores, and it was not long before I and my wife got the same. Our heads were one mass of sores, we could not sleep and the itching was terrible. We suffered for eight months. We tried different kinds of ointments and medicine but it did us no good and soon it began to break out on our bodies until a friend who had the same trouble told me about Cuticura Soap, Cuticura Ointment and Cuticura Rosolvent, and I was surprised. After the first few days our heads began to heal and in two months we were absolutely cured of this terrible eczema. Eugene Potthoff, 581 Ralph Street, Brooklyn, N. Y., February 18, 1910."

nothing to snow the cause of all death. No foul play is thought of, as there was no more popular man in the county.

It is thought by the doctors that his death was caused by a stroke of apoplexy after a long day's ride. Mr. Parker was a gallant old Confederate, having fought through the war with a Maryland Regiment.

Since the war he has made his home in Orange county, where he was conspicuous by his popularity and high character. The interment took place this afternoon in Graham Cemetery. After the Episcopal service the Masonic service was held. Mr. Parker was an enthusiastic Mason.
